

Shelter Rentals for TCRC Members

TCRC has six (6) shelters available to rent for your parties or for your enjoyment! Our shelters are there for every member, but there may be times that you want that extra sun protection or room to spread out. Each shelter has 2 spacious picnic tables.

If you would like to reserve one of our shelters, we invite you to print off this Reservation Form, select which shelter you would like to reserve and we will place your name and time on it. Please return completed Form to the Manager on Duty.

When a shelter is not reserved, any member can use it.
