

2020 AQUATICS REPORT

This was an unusual year for our Aquatics programs. Due to the Novel Coronavirus, we were unable to run our programs as we have in the past. We were fortunate in that we were able to provide swim instruction for about 60 children ages 5-18. Head Coach Michael Cousins was joined by Assistant Coaches Amanda Sheldon and Genevieve Young. We were able to social distance and follow safety protocol during two practices each morning for six weeks. Our season culminated in a fun meet at the end of July. We kept morale up with Monday breakfasts, Freezer Pop Tuesdays, Chalk the Walk Wednesdays, Theme Thursdays and Fun Practice Fridays. The season ended with a Pizza dinner where awards and certificates were given. We thank the coaches and especially the parents for their flexibility and support with all the changes that were necessary for us to have a successful season.

Respectfully,

Robin Young
