

Three Chopt Tsunamis

Aquatics Report 2021

Our fabulous theme this year, designed by our TCRC member, Tom Edwards.

We had a fabulous year of re-building our swim and dive. Our Dive coaches were so enthusiastic and positive that they started with a team of 6 and grew to 18 by the end of the season!

Our Swim team led by Head Coach, Michael Cousins, and assisted by Amanda Sheldon, Gena Young and Kara Young grew both in numbers and ability throughout the 9 weeks. Our theme this summer was “**Stronger Together**”

We were well represented at Championships.

There were also many fun events like the Turtles in Training meet, Ice Cream sandwich social, banquet and paint days!

we honored our seniors,
refurbished a
diving board,
raised funds for
lane line reels and
more

GOALS FOR 2022
